Guest Testimonial

Hi Hue-Chan!

The event was fantastic! Everyone had a great time and learned a lot too! Jackson was a great instructor and came up with a good combination of demonstration and hands-on cooking. We had a mix of people who love to cook as well as a number of people who were there to just socialize, so the format worked well and fit everyone's needs. John loved the lobster frittata, so I appreciate your flexibility with the menu! It was also really nice to have the whole restaurant to ourselves- it made it really feel like our event. Several of our friends have already talked about returning to Open Kitchen for dinner and other cooking classes!

Thanks for sharing the pictures and for all of your help coordinating the menu and event. We will definitely be back!
