Guest Testimonial

Dear Hue- Chan,

This is just a note to thank for you for a fun and rewarding experience on the occasion of my daughter Kiran's 11th Birthday. Kiran and all her guest's had a great time at her Birthday Cooking Party at Open-Kitchen. The party was well executed with an interactive demonstration, fun facts with the result being a truly scrumptious feast. It was a great space for the party as well and we loved the artful display of aprons on the chairs. The restaurant itself is a treasure. As an architect, I truly appreciate the very detailed, integrated artwork throughout the space, with fine appointments, utensils and equipment. I got a genuine sense of commitment from all of the staff, who were very sincere, warm and helpful. We certainly will be back again to experience other culinary opportunities at Open-Kitchen.

Warm Regards,

Elaine
